AIESEC IN SRI LANKA

AIESEC in Sri Lanka was established in 1995, as a member chapter of AIESEC International. It has been creating a positive impact through international experience centered leadership development to drive this country for the betterment of youth in the future.

The organization is entrusted by many national and multinational organizations to help them gain access to youth opinions, approach top-talents for future recruitments, strengthen their image among youth and position themselves as socially responsible organizations by investing in **youth leadership development**.

AIESEC IN NSBM

In 2017 AIESEC was initiated in the National School of Business Management as “**AIESEC in NSBM**”. AIESEC in NSBM was able to host two global villages on the university premises in 2018 and 2019 with over 200 international students from over 25 different countries. As an Official Expansion, we won the **Most Outstanding Award** and **Most Progressive Expansion Award** in 2018 & 2019, respectively.

Today, AIESEC in NSBM has over 120+ active global-minded, and culturally sensitive members who are dynamic, creative, and driven by a growth mindset that propels them to new heights of innovation.

WHAT IS GLOBAL VOLUNTEER?

Global Volunteer is a cross-cultural experience for youth (aged 18 - 30) who want to gain personal development, experience new cultures, and leave an impact in the world through Volunteering Projects designed to contribute to the Sustainable Development Goals.

The incoming Global Volunteer product at AIESEC offers organizations in Sri Lanka, the opportunity to bring in young talent around the world on a 4-6 week volunteering experience.

Opportunity for Youth

We develop international youth through professional experiences in various industries and fields. These young talents would visit Sri Lanka with the motive of working to improve the living conditions & would contribute towards the betterment of humankind.

WHAT IS PROJECT Equify ?

SDG Goal : 10 (Quality Education) Target : 10.2

The project aims to impact SDG #10 by fostering educational spaces on the basics of inequality as well as promoting local initiative to tackle discrimination and inequality in the community

WHAT'S IN IT FOR YOU?

Impact
